The Honorable William J. Casey
Director of Central Intelligence
Washington D.C. 20505

Dear Mr. Casey:

AFCEA will be conducting their annual Intelligence Symposium on 7-8 October 1986 at the Naval Surface Weapons Center, White Oak, Maryland. The conference will be on the subject of "Intelligence Support for Low Intensity Conflict." Mr. Robert Gates of your office will be delivering the Keynote Address to this symposium.

Mr. Anthony Spadaro, IRT Corporation, in conversation with Mr. Charles E. Allen, NIO for Counter Terrorism, has discussed the possibility of his participating as an invited speaker.

AFCEA would like to officially invite Mr. Allen as a guest speaker for this very important conference.

Along with Mr. Spadaro, who can be reached at (703) 893-2111, the AFCEA point of contact is Jack Pozza, Colonel, USMC (Ret), Director of Intelligence (703) 425-8507. They will be available to you or your staff to provide whatever additional information you may require.

As our program is being finalized at this time, we would like to request your acceptance by 2 September.

Sincerely,

Dr. Jon L. Boyes
Vice Admiral, USN (Ret)
AFCEA International President
